

LED

photonX

10W LED FLOOD LIGHT

**50,000 HOUR OPERATION
HIGH LUMEN
ENERGY EFFICIENT**

FEATURES:

- High Power LED Array
- LED Lifespan: 50,000 Hours of Maintenance-Free Operation
- Comparable to 50W Halogen—LEDs use less energy than traditional HID lamp solution.
- Aluminum Alloy Body—Black Finish
- Mounting Yoke included

APPLICATION:

Ideal for security lighting around commercial, industrial and residential buildings
